Greetings from Residential Life & Housing,

Congratulations, and welcome to Alabama Agricultural & Mechanical University (AAMU) for the 2019-2020 academic year!

Are you ready to "Live the Bulldog Life"? Living on campus will be one of the most memorable college experiences you will encounter. On-campus living provides you a place for personal development, community involvement, growth, and knowledge.

To assist with your educational experience; our office employs a residential life program which nurtures and engages students in learning outside the classroom. Our office works diligently to provide quality and comfortable living accommodations to make your stay as convenient as possible.

For the 2019-2020 academic year, Mamie L. Foster Living/Learning Complex will offer a non-traditional option for its freshman male and female students. Freshman female students will be housed in the East Wing of Foster Complex, and the freshman male students will be housed in the West Wing. Traditional housing options for freshman male and female residents will include the following:

Females: Solomon Palmer Hall | Harriet J. Terry Hall | Thigpen Hall

Males: Clarence F. Stephens Hall | Thomas V. Morris Hall

Applications for the 2019-2020 academic year will open May 6, 2019, and close June 3, 2019, for First-Year Students or until we reach capacity. For new students to apply for housing, you must meet the following criteria.

- You must be accepted to Alabama A&M University before applying for housing.
- You need a 2019-2020 FAFSA on file with Financial Aid before applying for housing.
- A \$350 housing fee is required to complete the application process. The fees include \$100 nonrefundable application fee, and \$250 refundable deposit.
- Go to [myAAMU](#), click on the Self-Service Banner Log-In link. Look for the Student tab and click the link. Under the Student tab look for the Housing Application link, click on it and Apply.

To assist with setting up your new room, we have compiled a [list](#) of suggested items to bring with you to the Residence Hall. For a complete list, please refer to the Guide to Campus Living. "Living the Bulldog Life" is about being comfortable in your new space away from home, and embarking upon new endeavors.

During your stay at Alabama Agricultural and Mechanical University, enjoy your residential life experience and take full advantage of this educational opportunity. Again, welcome to "The Hill!" For additional information regarding our fall housing registration process, please visit our website at <http://www.aamu.edu/campus-life/housing/>. If you have questions; please contact the Housing office at 256.372.5797.

Sincerely,

Karla Miller, Director
Residential Life & Housing
